Timeline of Our Work

What will our curriculum management plan include?

How will we build a comprehensive professional development plan?

How will we establish a framework for accountability?

Dr. Roberts stated the entire process from the evaluation that was conducted last school year to the management plan Mrs. Donato is developing is in the spirit of continuous improvement of what we teach and how we teach students. Having systems in place to monitor that progress to continue to be better for students every school year is exciting, and we look forward to the work that is to come from this plan.
