Dear Fifth Grade Families,

Mount Rock Elementary promotes positive behavior with our three rules: *Be Responsible, Be Respectful, and Be Safe*. You and your child can track your child's behavior from home by accessing the web-site <https://www.classdojo.com/> and entering the attached code. If a code isn't attached, then your account from a previous year was successfully linked to our class. **Please do not be alarmed if you don't see many positive behavior points. Our philosophy is that each day students arrive at school with all positive behavior "points" – their goal is not to lose any of those during the day. We adjust points in ClassDojo when there is a skill that needs to be improved.**

Students who are not eligible for the reward will spend time reflecting on negative behaviors and completing any classwork that was not completed on time. An infraction is one mark in ClassDojo. The teacher reserves the right to write additional deductions to this plan as behavior warrants. Any behavior deemed severe by the classroom teacher will be reported to the office immediately and could automatically result in ineligibility for the PBIS monthly reward. In addition, when a parent is notified about excessive misbehavior or unpreparedness, the CHILD may be required to first speak with his/her parent on the phone about what happened, followed by the teacher and/or principal.
